Mr. Robert Gehl
Gehl Flooring Supply, Inc.
3000 N 117th Street
Wauwatosa, WI 53222

Dear Robert:

DriTac Flooring Products warrants the use of the following wood flooring adhesives to bond all multi-ply engineered plank and solid plank hardwood flooring over all approved subfloors, using DriTac trowel TR-2 or a 3/16" x 1/4" on 1/2" centers flat v- notch trowel, which will yield approximately 60 square feet/gallon:

- **DriTac 7700 Easy Clean** premium "green" sound and moisture control MS polymer wood flooring adhesive
- **DriTac 7200 Crush** premium "green" moisture control MS polymer wood flooring adhesive

This is all subject to our standard product warranties.

DriTac 7700 Easy Clean, DriTac 7200 Crush and all hardwood flooring must be installed according to each manufacturer's specifications and/or recommendations. Not following these recommendations will void this warranty.

The requirements and installation instructions of DriTac Flooring Products and the flooring manufacturer must be followed, including but not limited to flatness of the subfloor, subfloor moisture content, acclimation of the flooring, proper climate control, use of the correct trowel and all other relevant jobsite conditions as specified by all manufacturers involved.

If you have any questions, please feel free to contact me at (951) 204-5791. Thank you for your business and support.

Sincerely,

David Jackson
Vice President, Field Technical Services
