

BEST CUT RATE AND LONGEVITY ON THE MARKET

MEET THE NEXT GENERATION OF BLAZE

Designed for the most rugged of floor sanding applications, BlazeX fiber discs offer superior cut rates and product life. The stiffer fiber back gives BlazeX an aggressive cut while the ceramic grain gives it a natural super-fine scratch pattern. Whether you are dealing with aluminum oxide coated pre-finished flooring or several layers of hard finish the Norton BlazeX fiber disc will offer the best cut rate and longevity of any product on the market.

FEATURES & BENEFITS:

- Improved ceramic alumina micro-fracturing grain constantly exposes sharper grain edges to significantly increase cut rate and life.
- Heavier fiber backing for additional strength and tear resistance.
- Product design is ideal for applications where aggressive cut rate and product life is critical.
- Ceramic grain offers super-fine scratch patterns
