

Informational Bulletin

#190

Subject: Naturele Elegance – New Collections

Date: 3/1/24

2024 brings new collections to Naturele Elegance Flooring. Rounding out the offering with both solid and engineered collections along with adding a click and glue down LVP.

Additionally, there is an updated display system with singular display units per collection to allow for multiple display configurations. Here is an image of the 2024 display setup with all 8 collections...

Display Spec's

- Each collection is a separate display rack
- Dimensions:

20" Wide x 24" Deep x 6'10" High

The display of all 8 collections is 13'3" Wide

Here is what is new...
